

Privacy Statement

Last updated: [2025-10-24]

To power your experience when you using this [ZooScope](“App” or “Service”), we need to collect, use, and share some of your personal information. This Privacy Statement is meant to help you understand how [Shunhong Chen](“we”, “us”, or “our”) does that and how to exercise the choices and rights you have in your information.

Children’s Data

The App is not directed to children, and we don’t knowingly collect personal information from children under the age of 13. If we find out that a child under 13 has given us personal information, we will take steps to delete that information. If you believe that a child under the age of 13 has given us personal information, please contact us.

The Information We Collect

Here are the types of information we collect about you:

- ♦ the type, version, brand, language and operating system of device.
- ♦ email address.
- ♦ the type and operator of network (such as Mac address).
- ♦ device identifiers (such as IDFA, IDFV for Android, GAID for IOS).
- ♦ behavioral usage of the App.

How We Use Your Information

We use your personal information to:

- ♦ provide the useful, efficient and worthwhile Service on the App.
- ♦ collect feedback regarding your experience.
- ♦ perform research, testing, and analysis.
- ♦ monitor and improve our operations.
- ♦ Respond to legal proceedings and requirements.

How We Share Your Information

This section explains when, why, and with whom we disclose your information.

- ♦ we share information with our affiliates to provide you the App and improve our Service and user security and internal operations.
- ♦ we use third party service providers to perform services in connection with our operations, to improve the App and our Service.
- ♦ we may disclose your information in response to a legal obligation or to comply with any applicable law or regulation, civil, criminal or regulatory inquiry, investigation or legal process, enforceable governmental request.

Links to Third-Party Sites

The App may make available links to other third-party websites. When you click on such links, you may leave our App. We are not responsible for the privacy practices of third parties. Please consult their individual privacy policies to learn more.

- ♦ Google AdMob & Firebase: <https://policies.google.com/privacy>
- ♦ Facebook:
https://www.facebook.com/privacy/policy/?entry_point=comet_dropdown

How We Store and Protect Your Information

We retain your information for as long as necessary to provide you and our other users the App. We also retain your information as necessary to comply with our legal obligations, resolve disputes and enforce our terms and policies.

We take reasonable and appropriate measures designed to protect your personal information. We intend to make your experience as secure as possible by protecting information against loss, misuse, alteration, or unauthorized access. We perform regular vulnerability assessments of our systems and network to help protect your information.

Your Personal Data Rights

- ♦ You may make a formal request to access (also referred to as the “right to know”) your personal information.
- ♦ You have the right to rectify, update or correct inaccuracies in your

personal information.

- ♦ You have the right to request that we delete your personal information, also known as the “right to erasure”.
- ♦ Where we rely on your consent as a lawful basis to process your personal information, you have the right to withdraw your consent at any time.

Revision of Privacy Statement

This Privacy Statement may be revised in order to strengthen protection of personal information or because of changes in the law. Any revision of the Statement will be posted and announced on this page. Please review the Statement periodically.

Contact Us

If you have any questions or concerns about your privacy or anything in this Statement, we encourage you to contact us by email to: [dahong879@163.com].
